The original

The Malibu® collection from Tenzo has been on the market since the late '90s, and is still going strong. It's an original collection that is well-known for its colourful variations and trendy way of resembling retro living.

Colourful eye-catcher

The Malibu® collection has a large variety of colours. One for every taste! The colour collection "Spring rebels" is a palette inspired by the American west coast and 50's diners culture.

Details

The feet and handles are made of shiny nickel that enhances the design of the product. The cutout logo is an extra detail that brings life to Malibu® furniture.

Design by Rutger Andersson

The well-known and experienced designer and product developer Rutger Andersson is excellent at "less is more". His touch makes any product live up to its full potential. In his portfolio you will find a lot of successful designs, Malibu® is just one of them.

Malibu

SPRING REBELS

The Spring Rebels colour collection is a palette inspired by the american west coast, and 1950's diners culture. You get the typical red bar stools, green palms and colourful cars mixed in a vibrant and modern and elegant color scheme. Add the white sand and almost black tarmac for a full Malibu experience!

MALIBU

MALIBU® - THE ORIGINAL SINCE 1998

The rebel. In the 1950s and '60s many young people broke free from the traditional social norms, wanting to release from their parents' generation. New subcultures emerged, such as rock n' roll and surfing. This furniture range is inspired by the styles and ideas of this era.

Rutger Andersson has created a colourful retro design, bringing the feeling of that generation back to the presence. The colour collection "Spring rebels" has radiant but yet grounded shades that gives your home a modish retro-touch.

Malibu is young, rebellious and colourful!
